ABOUT OUR CLUB TOURNAMENT

2009 marks the 22nd year for our tournament and we want to take this opportunity to thank you for your support and participation that makes it all possible. With Vista BMW returning as our Tournament Sponsor, we know this will be our best tournament yet.

Whether you are a returning participant, or this is your first outing with us – Welcome!

The Rotary Club of Boca Raton Sunrise is extremely proud of what this successful series of events has accomplished. To date, the past 21 tournaments have raised over \$525,000, and the monies have been used exclusively to benefit the youth of Palm Beach County. Primarily, funds are used to provide scholarships to students attending county colleges and universities with several students currently attending FAU right here in Boca.

We also contribute to the literacy program of the Palm Beach County public schools by using a portion of the raised funds to buy and donate books/dictionaries.

Rotary is an international organization, that through club fellowship helps to serve the youth of the world. Last year our club contributed thousands of dollars towards a computer lab in Bosnia, a home in Vietnam as well as a cancer screening center in India.

Your support of our golf tournament helps us to support the Rotary International motto of "Service above self".
