Dr. Sandy Burkart shared the following message from our last year's visiting Rotarian Ambassador, Siphho Dlamini. If you wish to correspond via e-mail, please contact him at:

Hi Sandy,

Great to hear from you Sandy my friend. I must say that I am delighted to be connected again and most importantly to learn that you are all fine and doing well.

Here is the information you requested:

Home address: P.O. Box 240 Pigg's Peak, H 108,
Swaziland, Southern Africa.

My work address is: Regional Education Office P. O. Box 104
Siteki, L 300, Swaziland, Sourthern Africa.

The fax at work is: (268) 343-4507.

There have some developments that have taken place at my family in that we now have a new member who joined my family last year, 2005. My wife Ncamsile is still teaching at Tikhuba High school with her Bachelors degree. Ncamsile was born on July 3, 1971.

The childrens' birth dates are as follows: Lwazi (boy) who was born on October 24, 1991. A daughter Nonhlanhla October 18, 1997 and another boy Tholimphilo was born on May 11, 2002. The young woman, Lomave, joined us in March 25, 2005.

I am still being kept at the same job of being an inspector of schools here in the Eastern Lubombo region of the kingdom of Swaziland. This the same job I held before I came over to Boca, and Lynn University respectively.

I must say that I have not been able to build my dream house yet, financial constraints have been the major hindrance.

I am looking forward to the communications from all. Please pass my sincere greetings to all Rotarians there. I miss the meetings, down town.

Pass my greetings to Barbara, Jermaine, and the two girls in your house. I remember very well the nice meals you used to prepare for us and peanut butter we used to consume at home. Thanks.

Best regards,

Sipho.

All you have to do to find a make-up Meeting is drill down to the state and city or country that you will be visiting to find out where and when the meetings occur.

The Five Avenues of Service have a spot on the front page. To find out more about each Avenue of Service, click on your interest and get more involved in Rotary.

You can change your personal information on the site. Updated pictures should be e-mailed to Chris.

You can advertise on the site for \$100 per year! The newsletter is on the site.

Chris has already sought out ways to make it easy for members to pay their bills via credit card. **Andy Petry** asked if there was a cost to this and Chris said there was, but the members convenience was important. And we will be able to take reservations for the golf tournament via this payment method.

President Eileen Katz thanked Chris for this website that pops! And for a great job and lots of effort and "mugged" him.

President-Elect Pradeep "Kris" Sudan hosted our club for this meeting,

Chris Maners said he would post up the alternate

Matt Nelles, Speaker

Chairman, has arranged all of the speakers for our club this year. The club applauds him for a job done!

Our meeting was hosted by **President-Elect Kris Sudan** at the downtown Boca office of Smith Barney.

Jamie Gulden of Set-The-Table was our chef and had a delicious breakfast selection.

Matt Nelles, our Speaker Chairman, who has scheduled a wonderful array of speakers for this year, arranged to have Chris Maners give a live demonstration of our new website.

We were all duly impressed with the new changes.

The website is used to inform potential members of our meeting.

Some of our guests today had found out about our meetings by searching the web!

You can plan on attending a make-up meeting anywhere in the world by clicking a button in the left column that will jump you to Rotary International site.
